Auditor's Report to the Members

ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS

Introduction:

We have reviewed the accompanying condensed interim statement of financial position of RELIANCE INSURANCE COMPANY LIMITED ("the Company") as at June 30, 2019, and the related condensed interim profit and loss account, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the six-month period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of this interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review.

Scope of Review:

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion:

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Emphasis of matter:

Without modifying our opinion, we draw attention to note 17.1(b) to the condensed interim financial statements disclosing a contingent liability relating to an aviation claim reported on November 03, 2015.

Other Matter:

The figures for the quarter ended June 30, 2019 and June 30, 2018 in these condensed interim financial statements have not been reviewed, as we are required to review only the cumulative figures for the half year ended June 30, 2019.

The engagement partner on the review resulting in this independent auditor's review report is Mohammad Hanif Razzak.

- Provisions of and directives issued under Companies Act, 2017, Insurance Ordinance 2000, Insurance Rules 2017, Insurance Accounting Regulations 2017 and SECP Takaful Rules 2017.

In terms of the requirements of the SECP Takaful Rules 2012, read with SECP Circular 25 of 2015 dated 09 July 2015, the assets, liabilities and profit and loss of the Operators' Fund of the General Takaful Operations of the Company have been presented as a single line item in the statement of financial position and statement of comprehensive income of the Company respectively. Further, a separate set of financial information of the General Takaful operations has been annexed to these financial statements as per the requirements of the SECP Takaful Rules 2012.

2.3 NEW STANDARDS AND AMENDMENTS

There are certain new standards and amendments to existing standards which have been effective during the period; however these are either irrelevant or do not have significant impact on these condensed interim financial statements hence not detailed in these financial statements.

During the period IFRS 9 has been effective for the periods ending on or after June 30, 2019; however amendment has been introduced in IFRS 4 'Insurance Contracts' with respect to application of IFRS 9 'Financial Instruments'. The amendments address issue arising from the different effective dates of IFRS 9 and the forthcoming new standard IFRS 17 'Insurance Contracts'. The amendments introduce two alternative

options for entities issuing contracts within the scope of IFRS 4, notably an overlay approach and deferral approach. The overlay approach allows an entity to apply IFRS 9 from its effective date to remove from profit or loss the effects of some of the accounting mismatches that may occur from applying IFRS 9 before IFRS 17 is applied, whereas the deferral approach enables eligible entities (primarily issuing insurance contracts) to defer the implementation date of IFRS 9 till the effective date of new IFRS 17. The Company has adopted the deferral approach accordingly it assumes itself exempt from the application of IFRS 9 and IFRS 17 until 31 December 2021.

Further there has been new standards and amendments to existing standards that are not yet effective except as stated above which are also either irrelevant or do not have material impact therefore not detailed in these condensed interim financial statements.

17. CONTINGENCIES AND COMMITMENTS

17.1 Contingencies

- a. In the year 2016, the Commissioner of Inland Revenue (FBR) had issued show cause notices and then passed orders under section 122(5A) of the Income Tax Ordinance, 2001 (the Ordinance) related to preceding tax years, by initializing the concept of single/one basket income to insurance industry, i.e. clubbing all other sources of income (e.g. dividend and rental income) into business income for charging the business rate of tax under Fourth Schedule of the Ordinance. In the year 2016, the Commissioner Inland Revenue (Appeals) has annulled all the assessments under section 122(5A) in which dividend was taxed at normal corporate tax rate. The Commissioner of Inland Revenue has filed an appeal in Appellate Tribunal, Inland Revenue against the order passed by the Commissioner Inland Revenue (Appeals) which is pending adjudication. The Company has not made provision in the regard with consultation of tax advisor as it is confident that the case will be decided in the Company's favor.
- b. An aviation claim has been reported on November 3, 2015. Investigations are underway and loss adjustors have not yet established liability. Should this loss be considered payable at any later stage, a maximum gross reserve of Rs.550 million would arise. The impact on the Company's net account would be Rs.2.500 million and the rest would be recoverable under fronting arrangements as per agreed terms.

Auditor's Report to the Members

ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS

Introduction:

We have reviewed the accompanying condensed interim statement of financial position of RELIANCE INSURANCE COMPANY LIMITED (WINDOW TAKAFUL OPERATIONS) ("the Operator") as at June 30, 2019, and the related condensed interim profit and loss account, condensed interim statement of comprehensive income, condensed interim statement of changes in fund, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the half year then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of this interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review.

Scope of Review:

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion:

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other Matter:

The figures for the quarter ended June 30, 2019 and June 30, 2018 in these condensed interim financial statements have not been reviewed, as we are required to review only the cumulative figures for the half year ended June 30, 2019.

The engagement partner on the review resulting in this independent auditor's review report is Muhammad Hanif Razzak.

2.3. NEW STANDARDS AND AMENDMENTS

There are certain new standards and amendments to existing standards which have been effective during the period; however these are either irrelevant or do not have significant impact on these condensed interim financial statements hence not detailed in these financial statements.

During the period IFRS 9 has been effective for the periods ending on or after June 30, 2019; however amendment has been introduced in IFRS 4 'Insurance Contracts' with respect to application of IFRS 9 'Financial Instruments'. The amendments address issue arising from the different effective dates of IFRS 9 and the forthcoming new standard IFRS 17 'Insurance Contracts'. The amendments introduce two alternative options for entities issuing contracts within the scope of IFRS 4, notably an overlay approach and a deferral approach. The overlay approach allows an entity to apply IFRS 9 from its effective date to remove from profit or loss the effects of some of the accounting mismatches that may occur from applying IFRS 9 before IFRS 17 is applied whereas deferral approach enables eligible entities (primarily issuing insurance contracts) to defer the implementation date of IFRS 9 till the effective date of new IFRS 17. The Operator has adopted the deferral approach accordingly it assumes itself exempt from the application of IFRS 9 and IFRS 17 until 31 December 2021.

Further there has been new standards and amendments to existing standards that are not yet effective except as stated above which are also either irrelevant or do not have material impact therefore not detailed in these condensed interim financial statements.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted in the preparation of these condensed interim financial statements are in line with the audited annual financial statements for the year ended December 31, 2018.

4. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Preparation of the condensed interim financial statements requires management to make judgments, estimates and assumptions that effect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

In preparing the condensed interim financial statements, the significant judgments made by the management in applying the Operator's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements as at and for the year ended December 31, 2018.

5. FINANCIAL RISK MANAGEMENT

The Operator's financial risk management objectives and policies are consistent with those disclosed in the annual financial statements for the year ended December 31, 2018.
