INDEPENDENT AUDITOR'S REVIEW REPORT

To the member of Reliance Insurance Company Limited Report on Review of Condensed Interim Financial Statements

INTRODUCTION:

We have reviewed the accompanying condensed interim statement of financial position of RELIANCE INSURANCE COMPANY LIMITED ("the Company") as of June 30, 2021, and the related condensed interim profit and loss account, condensed interim statement of comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flows and notes to the condensed interim financial statements for the half year ended (here-in-after referred to as the "condensed interim financial statements"). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

SCOPE OF REVIEW:

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION:

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

OTHER MATTER:

The figures of the condensed interim profit and loss account and condensed interim statement of comprehensive income for quarters ended June 30, 2021 and June 30, 2020 have not been reviewed and we do not express a conclusion of these figures.

The engagement partner of the review resulting in this independent auditor's review report is Muhammad Hanif Razzak.

- International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under Companies Act, 2017 and
- Provisions of and directives issued under Companies Act, 2017, Insurance Ordinance 2000, Insurance Rules 2017, Insurance Accounting Regulations 2017 and SECP Takaful Rules 2017, General Takaful Accounting Regulations, 2019;

2.3 New standards and amendments

There are certain new standards and amendments to existing standards which have been effective during the period; however these are either irrelevant or do not have significant impact on these condensed interim financial statements hence not detailed in these financial statements.

2.3.1 IFRS 9 'Financial Instruments' and amendment (effective for period ended on or after June 30, 2019).

IFRS 9 replaces the existing guidance in IAS 39 "Financial Instruments: Recognition and Measurement". IFRS 9 includes revised guidance on the classification and measurement of financial instruments, a new expected credit loss model for calculating impairment on financial assets, and new general hedge accounting requirements. It also carries forward the guidance on recognition and derecognition of financial instruments from IAS 39.

Further, IFRS 4 provides two alternative options in relation to application of IFRS 9 for entities issuing contracts within the scope of IFRS 4, notably a temporary exemption and an overlay approach. The temporary exemption enables eligible entities to defer the implementation date of IFRS 9. The overlay approach allows an entity applying IFRS 9 from the effective date to remove from profit or loss the effects of some of the accounting mismatches that may occur from applying IFRS 9 before IFRS 17 is applied. The Company has adopted the temporary exemption option which allows the Company to defer the application of IFRS 9 until the application IFRS 17. For the companies adopting the temporary exemption, the IFRS 4 requires certain disclosures which have been disclosed as follows:

Temporary exemption from application of IFRS 9

As an insurance company, the management has opted temporary exemption from the application of IFRS 9 as allowed by the International Accounting Standards Board (IASB) for entities whose activities are predominantly connected with insurance. Additional disclosures, as required by the IASB, for being eligible to apply the temporary exemption from the application of IFRS 9 are given below.

To the member of Reliance Insurance Company Limited - Window Takaful Operations Report on Review of Condensed Interim Financial Statements

Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

SCOPE OF REVIEW:

We conducted our review in accordance with the International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION:

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

OTHER MATTER:

The figures of the condensed interim profit and loss account and condensed interim statement of comprehensive income for quarters ended June 30, 2021 and June 30, 2020 have not been reviewed and we do not express a conclusion of these figures.

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN AUDITED)

FOR THE HALF YEAR ENDED JUNE 30, 2021

IFRS 9 'Financial Instruments' and amendment (effective for period ending on or after June 30, 2019). IFRS 9 replaces the existing guidance in IAS 39 Financial Instruments: Recognition and Measurement. IFRS 9 includes revised guidance on the classification and measurement of financial instruments, a new expected credit loss model for calculating impairment on financial assets, and new general hedge accounting requirements. It also carries forward the guidance on recognition and derecognition of financial instruments from IAS 39.

Further, IFRS 4 provides two alternative options in relation to application of IFRS 9 for entities issuing contracts within the scope of IFRS 4, notably a temporary exemption and an overlay approach. The temporary exemption enables eligible entities to defer the implementation date of IFRS 9. The overlay approach allows an entity applying IFRS 9 from the effective date to remove from profit or loss the effects of some of the accounting mismatches that may occur from applying IFRS 9 before IFRS 17 is applied. The Company has adopted the temporary exemption option which allows the Operator to defer the application of IFRS 9 until the application IFRS 17. For the companies adopting the temporary exemption, the IFRS 4 requires certain disclosures which have been disclosed as follows:

Temporary exemption from application of IFRS 9

As an takaful operator, the management has opted temporary exemption from the application of IFRS 9 as allowed by the International Accounting Standards Board (IASB) for entities whose activities are predominantly connected with insurance. Additional disclosures, as required by the IASB, for being eligible to apply the temporary exemption from the application of IFRS 9 are given below.
